## PROFILES

I'm a student at the University of Indonesia studying Computer Engineering. I have a strong interest in both the hardware and software aspects of computers. I'm a quick learner and open-minded when it comes to technology. I enjoy taking on challenging projects that push my abilities to the max. I'm looking forward to connecting with like-minded individuals as I explore the exciting world of tech and tackle new opportunities.

## EDUCATION

**Science Program, Canisius College Senior High School**

Grade: 92.28/100

**Bachelor of Engineering in Computer Engineering, University of Indonesia**

## EXPERIENCES

**Freelance Tutor (August 2023 – Now)**

Freelance work as astronomy & physics tutor for National Science Olympiad (OSN) at dozens of schools

## LANGUAGES

Indonesian                      Native Speaker
